## To My Fellow Breeders

For once in my life I am at a loss to know just how to greet you. However, believing that truth should prevail in all things, and that truth in the end is bound to win, I am going to give it to you as best I can.

It has been deemed advisable to call this a dispersion sale for lack of a better term to apply to a peculiar condition. It is a dispersion in so far as I am offering all the saleable cattle in the herd. I am offering every bull in the herd including my herd sires, and I am offering every working female that is in shape to sell. Why am I doing this? Because I need whatever money they will fetch. The cattle are not to be blamed for this state of affairs. A stubborn determination to wipe out an infection, the presence of which I have made public, before offering females for sale, and thus injure the unsuspecting purchaser, is the true cause of this sale.

The herd now is clean and has been clean for some time, the proof of which may be witnessed on sale day. However, the cleansing process worked with equal efficiency upon the cattle's systems and my purse with the result that the cattle must be turned into cash. Every cow in the offering is a worker and absolutely free from disease of any kind.

The herd as it will pass through the auction ring is just as I had selected and handled it for my own use. The sale was not anticipated until recently and for that reason the cattle will be in working condition and ready to go into your herd and make you money.

Several of the females in the offering are International prize winners, and a study of the pedigrees will reveal the blood of many of the most consistent prize winners on both sides the Atlantic. Linwood cattle were never extensively shown, but records show that the first blue ribbon ever awarded at the International Stock Show was won by a Linwood entry. Four herd bulls used in recent years were First Prize International winners and two others were defeated only by the Grand Champion bulls of the same show.

It is also a fact that several of the leading sires used in America in recent years were the produce of Linwood dams. Among them are Imperial Gloster, used with great success in the Lespedeza herd of Tennessee; Village Beau, chief stock bull in the Hopley herd of Iowa, and both Villager's Coronet and Village Excellence, in the Uppermill herd of Iowa. A study of the prize winners in American shows reveals the fact that many of them have Linwood ancestry, and it is a pleasure to me to know that many of the top cattle in leading herds trace directly to Linwood stock.

Having the knowledge of these facts and an inherited love for the business, it is with the greatest reluctance that I am offering the cattle herein listed. However, I am not "licked" and I am not quitting, but I am only letting lose to spit on my hands. I will still be in the business with a small herd of aged cows that are well along toward calving and around which I will continue to build.

I believe the future for the pure-bred Shorthorn business is brighter than it has ever been in history. It is a poor time to sell, but a most excellent time to buy, and I want to extend a cordial invitation to all lovers of the greatest beef breed to be present on sale day and secure seed stock from one of the very oldest herds in America.

## Terms and Conditions

**Guarantee**—All cattle listed are guaranteed to be free from disease of any kind. Cows with calves at foot or well along in calf are considered breeders and no further breeding guarantee is given. All other animals are sold under the breeding guarantee adapted by the American Shorthorn Breeders Association.

**Pedigrees**—Certificates of registry will be furnished for all single lots and entry forms ready for registry for all calves at foot.

**Terms**—Cash. All cattle will be loaded on board cars free of charge, but will be at buyers risk as soon as bid off.

**Tuberculin Test**—All cattle are tuberculin-tested and a 60-day retest will be granted where strict quarantine regulations are followed.

**Auctioneers**—Carey M. Jones, Scotty Milne, Fay Houchens, and Miles Fox.

**Mail Bids**—Bids may be mailed to any of the auctioneers or to Geo. E. Martin, (Breeder's Gazette); Will Johnson, (Shorthorn World); Fred V. Johnson, (Iowa Homestead), either direct or in my care.

L. F. Boyle, Hennepin, Illinois, will sell 50 head of Shorthorns at his farm near Henry, Ill., on November 16th.

**Sanquhar Economist** is a bull of medium proportions and excellent type. In show condition he is almost perfect in conformation and has a wonderful coat. As a sire he is second only to Baron Gloster among all the bulls used at Linwood.

**Economist**, a marvelous breeder and sired five calves that sold in the 1920 Perth sale for \$5,000 each. His sire, Macbearer, sold in the Argentine for \$13,500.

**Sanquhar Union Jack** is a half-brother to Rodney and Cudham Dreadnaught, the two highest priced bulls in America. Through this cross comes a double infusion of Hawthorn Champion, one of the most valued sires in recent years in Britain.

\$450 W. S. Short, Arthur, Nev.

O. K., sire of Linwood Favor 2nd.
